

# CASE: Skylar Morgan

**Area:** Georgia, US    **Products used:** Acoustic Panels

**Architect:** Skylar Morgan + Design

Skylar Morgan, a design studio and manufacturing company based in Georgia, Atlanta, design handmade, sustainable furnishings and architectural woodwork for homes and commercial spaces.

For their office/studio space, they designed an acoustic wall made from BAUX panels, combining colours from the BAUX colour palette with customised tones tailored to their brand vision.

## **Products used:**

**Acoustic wood-wool Panels** — Stripe, Diagonal, Check, Lines.
